

RKC 2.1

RKC 2.1, une cuisine en mesure d'offrir de multiples solutions, caractérisée par des éléments linéaires qui redessinent l'espace ambiant et en déterminent la fonction et son espace. Le tout dans un équilibre raffiné entre esthétique et praticité.

RKC 2.1 is a kitchen design offering multiple solutions, including linear elements that form the basis of the room and determine its function and space in a fine balance between aesthetics and practicality.
