

RKC 2.C

RKC 2.C, de multiples solutions pour des espaces ambiants étroits. La fonctionnalité et l'organisation des espaces de vie interagissent, en se complétant dans de nouveaux projets. La zone de lavage de la desserte fait partie intégrante de la composition.

RKC 2.C offers multiple solutions for small settings. The functionality and organisation of living spaces interact and complement each other in new designs. The washing area in the pantry is an integral part of the composition.
